Ebook Details:

Review: I finished reading this book of poems on a cold, rainy day in January. Reading poetry while curled up in front of the fire seems like a calm and cozy way to spend an afternoon, but Magnesium is not a calm and cozy book. I can imagine Ray Buckley scrawling these poems out on crumpled paper napkins at three in the morning after drinking too many cups...

Description: In an honest unraveling of personal perspective, this collection of poems isnt preoccupied with a singular aim or objective. The tempo set forth by Buckleys style suggests poignantly that we may want to listen, rather than impose, thus inviting us to glean more clearly those things which defy explanation. Magnesium strolls tenderly along emotional...
